

GCOM 2019

3RD GLOBAL CONFERENCE ON MYOSITIS

Preliminary Conference Programme Overview

Berlin Wednesday, 27 March 2019	
10:00 - 12:30	Pre-congress pathology workshop: Make the diagnosis - Difficult cases incl. morphology - <i>A Mammen, A Amato, I Nishino</i>
12:30 - 14:00	Lunch
14:00 - 15:00	Welcome - <i>W Stenzel, O Benveniste & I Nishino</i>
	General lecture Development of therapeutic approaches for neuromuscular diseases - <i>T Voit (UK)</i>
15:00 - 16:30	I sIBM
15:00 - 15:25	1: Muscle aging - <i>M Kjaer (Denmark)</i>
15:25 - 15:50	2: Vacuolar myopathies that are not sIBM - <i>C Weil (USA)</i>
15:50 - 16:30	3: Selected oral presentations (<i>young presenters</i>)
16:30 - 17:15	Snack Break
17:15 - 18:30	IIa Extramuscular (Neoplasia)
17:15 - 17:40	1: Lessons learnt from Immune checkpoint inhibitor toxicities / myocarditis / myositis - <i>J Moslehi (USA)</i>
17:40 - 18:30	2: selected oral presentations (<i>young presenters</i>)
19:00	Welcome Reception 'Berlin history in a nutshell' - <i>J Marberg (Germany)</i>

Berlin Thursday, 28 March 2019			
08:30 - 10:00	IIb Extramuscular (Lung)		
08:30 - 08:55	1: How to evaluate pulmonary outcomes - <i>M Kuwana (Japan)</i>		
08:55 - 09:20	2: Lungs as a trigger of autoimmunity: the role of environmental factors - <i>L Klareskog (Sweden)</i>		
09:20 - 10:00	3: Selected oral presentations (<i>young presenters</i>)		
10:00 - 11:15	Coffee Break, Exhibition and Poster Tours		
11:15 - 12:45	III Trials		
11:15-11:40	1: Bayesian statistics for registries/rare diseases - <i>M Resche-Rignon (France)</i>		
11:40-12:05	2: The path to clinical trials in rare diseases - <i>V Straub (UK)</i>		
12:05-12:45	3: Selected oral presentations (<i>young presenters</i>)		
12:45 - 14:00	Lunch/ Industry Symposium I		
14:00 - 16:00	<table border="0" style="width: 100%;"> <tr> <td style="width: 50%; vertical-align: top;"> IV 'workshop for young physicians' Clinical & Research: specificities in different countries. How to improve international collaborations? <i>Speed funding for three collaborative grants, provisionally granted by Myositis UK</i> </td> <td style="width: 50%; vertical-align: top;"> IV 'patient-centered workshop' How to assess PRO (patient reported outcome) -PRO in IIM: where do we stand - -e-technologies in IIM - -Devices in IIM - Open session for direct patients physicians dialogues, unmet needs </td> </tr> </table>	IV 'workshop for young physicians' Clinical & Research: specificities in different countries. How to improve international collaborations? <i>Speed funding for three collaborative grants, provisionally granted by Myositis UK</i>	IV 'patient-centered workshop' How to assess PRO (patient reported outcome) -PRO in IIM: where do we stand - -e-technologies in IIM - -Devices in IIM - Open session for direct patients physicians dialogues, unmet needs

GCOM 2019

3RD GLOBAL CONFERENCE ON MYOSITIS

16:00 – 16:45	Snack Break, Exhibition, Posters
16:45 – 20:00	Team Workshop: jDM - <i>T Kishi (Japan), C Deakin (UK), F v. Wijk (Netherlands), C Gitiaux (France)</i>
19:00 – 20:00	Industry Symposium I

Berlin | Friday, 29 March 2019

08:30 - 10:00	V (j)DM
08:30 - 08:55	1: Interferonopathies / Clinical spectrum - <i>Y Crow (France)</i>
08:55 - 09:20	2: Vasculopathie in jDM - <i>D Elefteriou (UK)</i>
09:20 - 10:00	3: selected oral presentations (<i>young presenters</i>)
10:00 - 11:15	Coffee Break, Exhibition and Poster Tours
11:15 - 11:40	V DM
	4: Is it possible to distinguish different DM subtypes on histology, specific & non-specific techniques (proteome / genome / transcriptome) - <i>W Stenzel (Germany)</i>
11:40 - 12:30	VI Other forms of myositis: selected oral presentations (<i>young presenters</i>)
12:30 - 14:00	Lunch / Industry Symposium II / IMACS Symposium
14:00 - 15:30	VII Macrophages in immune mediated myopathy
14:00 - 14:25	1: Macrophages - multidimensional players in inflammatory diseases - <i>J Schultze (Germany)</i>
14:25 - 14:50	2: Autoantibodies at the center of IMNM pathogenesis- <i>O Boyer (France)</i>
14:50 - 15:30	3: selected oral presentations (<i>young presenters</i>)
15:30 - 16:30	Snack Break, Exhibition, Posters
16:30 - 17:00	Myositis Society Proposal – <i>J Schmidt (Germany)</i>
18:30	Scientific Get-Together

Berlin | Saturday, 30 March 2019

08:30 - 10:00	VIII Treatment
08:30 - 08:55	1: Biologicals 'used in Haematology' (Bortzeomib, Anti-CD38 etc.) - <i>O Hermine (France)</i>
08:55 - 09:20	2: Biologicals 'used in Rheumatology' (Anti-JAK etc.) - <i>R Aggarwal (USA)</i>
09:20 - 10:00	3: selected oral presentations (<i>young presenters</i>)
10:00 - 10:30	Coffee Break, Exhibition
10:30 - 11:15	IX Lab Industry Presentations
11:15 - 12:00	IV Patients: Reports from patient association(s)
12:00 - 13:00	General Discussion, Prizes, Closing & Handover
13:15 - 14:30	Lunch

duration main talks 25 (20+5)"
duration selected orals 13 (10+3)"
