First European Congress on Kawasaki Disease

14-16 January

EURO-KiDs Congress 2021

Paris - Institut Pasteur - Auditorium - FRANCE -

A first event in Europe !!

A half-day workshop: ‘Kawasaki disease, autoinflammation and beyond’ aimed to gather experiences on new treatment targets, biomarkers, and integrated research strategies.

A two-day main meeting aimed to update on clinical innovation, recommendations, basic science, and sharing clinical experiences.

- Organizers -
Isabelle Koné-Paut (Paris)
Rolando Cimaz (Milano)
